- (c) Any mandatory match suspension gained due to the accumulation of yellow cards is to be served in the competition in which the accumulation occurred.

A player is eligible to play the day after the suspension has been served.

For the avoidance of doubt if the suspension is being served in the league competition, the player must serve the suspension in the league competition in which they gained the highest number of accumulated yellow cards. A player who receives a match suspension in addition to a mandatory match suspension for an offence that occurs in a Friendly may be requested by the Disciplinary Committee to serve the suspension in the next official match(s) in which his or her club participates rather than the next Friendly.

- (h) A match suspension means a ban from taking part in a match or to attend in the area immediately surrounding the field of play.
- (i) The accumulation of yellow cards will be reset at the end of the last match of the pre-season, the competition proper and any final series respectively. This means that yellow cards accumulated in the pre-season competition do not carry over to the competition proper and yellow cards accumulated in a competition do not carry over to any finals series. Match suspensions incurred as a result of the accumulation of yellow cards will not be cancelled. Any variation on the resetting of yellow cards may be outlined in the relevant Operation Regulations.
- (j) Each club shall keep a record of their players' yellow and red cards. All clubs are responsible for ensuring a suspended player is not played.
- (k) The Competition Administrator shall send a Disciplinary Infringement Notice to the club stipulating the name of player that has received the mandatory match suspension for minor infringement within two (2) business days, where possible, following the alleged incident.
- (l) If the Competition Disciplinary Committee has determined in accordance with the National Disciplinary Regulations that an Offence by a Participant was such as to warrant a sanction in addition to the mandatory match suspension, the Competition Administrator will send a Disciplinary Infringement Notice notifying the club of the details of the Offence and of the disciplinary sanction imposed.
- (m) If a suspension is to be served in terms of matches, only those matches actually played count towards the suspension being served. If a match is abandoned, cancelled or forfeited, a suspension is only considered to be served if the team to which the suspended player belongs is not responsible for the fact that led to the abandonment, cancellation or forfeiture of the game.
